Full survey carried out by Australian surveyor Don Buckley May 2026 in preparation for market. Report available on request.

Owners are on board and continue to diligently care for Faith. They will remain on board until sold and assist the buyers with sea trial and handover.

Nautilus Yacht Managementis proud to present this beautifully presented2022 Lagoon 42, just arrived in Fiji after a few months in New Zealand.

Her owners, a couple from the US who have more than 2 decades experience Bluewater sailing on catamarans, chose Faithin 2023 when she was just a year old. Few boats have won as many awards as the Lagoon, including the prestigiousCruising World Magazine Best Boat Of The Yearin 2017 for their mid size multihulls. Sailing almost half way around the world, including two passages as far south as NZ,Faithhas proven a wonderful live-aboard and passage-maker. She is presented in beautiful condition, with a clean bill of health, her systems religiously maintained and with an impressive inventory.

The Lagoon 42is a premier choice for Bluewater cruising. This multi-award-winning catamaran has won several major international boating accolades upon its release and perfectly balances ocean-crossing seaworthiness with exceptional living space.

Disclaimer

A buyer should instruct his agents and/or surveyors to investigate such details buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

Its aft-stepped mast reduces pitching, while its short-handed sail plan allows a couple or just one person to manage it easily. Furthermore, its robust build and spacious layout provide high comfort during long passages.

Key features that make the Lagoon 42 ideal for Bluewater sailing include:
• Stable & Seaworthy Hull:Designed by VPLP Design, it features a pronounced gull-wing bridge deck that reduces slamming in heavy seas. With an official CE Category A rating, it is certified for ocean crossings and extreme weather.
• Easy Sail Handling:The mast is stepped further aft to re-center weight, a self-tacking jib is included for simple tacking, and all lines run directly to the helm station, making it highly manageable for couples or short-handed crews.
• Solid Construction:Built with infused balsa and polyester, it is engineered for high sheer strength and proven durability, a perfect choice for someone with circumnavigation in mind.
• Generous Tankage:The yacht is built for long-range autonomy, offering a large fuel capacity (up to 600 L) and fresh water capacity (600L), with large holding tanks for sensitive areas.
• Unmatched Comfort at Sea:The spacious one-level cockpit and saloon make living aboard easy, and the 360-degree panoramic windows offer excellent visibility from the interior.
• Suited to live aboard family:The intelligent use pf space provides ample storage for everything you need.

A Word From The Owners:

"Our liveaboard journey began back in 2002. We purchased Faith, our third catamaran, in St. Thomas, USVI in March 2023. She is the 3 cabin, Owners Version. She has been meticulously maintained and we are now ready to pass her over to her next owner. She is a four-year-old Lagoon 42 and configured for self-sufficiency, comfort and global exploration. If you are searching for a turn-key, ocean-ready catamaran, backed by a legacy of thoughtful ownership, we invite you to get in touch. We look forward to sharing more details and helping you embark on your own unforgettable adventure aboard Faith."John and Marilyn, Fiji, June 2026.

Please read on and click on theAdditional Descriptionsfor the detailed inventory and list of recent upgrades. This truly beautiful yacht is continually maintained and improved at no expense spared. You can also watch our full video tour to discover this superb ship in details.

For a bit of info aboutNautilus Yacht Management, we are a boutique-style brokerage devoted to high quality cruising yachts and to the cruising community since our launch in Sydney in 2011.

With representation in French Polynesia to Fiji, New Zealand and Australia to assist cruisers along South Pacific route, we are here to help both sellers and buyers with the logistics involved from registration to insurance, delivery, import, survey, storage and crewing if required. Ex- cruisers ourselves we just strive to help others begin their journey on the ocean.

If you feel thatFaithcould be what you are looking for, please get in touch! Our team can organise a private video viewing, discuss the purchase process with you as well as have all the time in the world to answer your questions, put you in touch with the owners if you wish, assist with organising your visit, purchase, delivery home if needed, insurance, berthing, crewing, etc.
